This is the Pet Owner's Agreement

Communicable Disease and Parasites.

To my knowledge, my pet(s) have not been exposed to and do not carry communicable diseases and are currently vaccinated as required. Pet(s) will be clean and free of parasites, or they may be treated at my expense.

Temperament and Compatibility.

I verify that my pet(s) are not known to be vicious and that any special precautions to be taken with pet(s) have been fully documented on the accompanying Client Information Form and explained to Dogwood Farm. If I am requesting that two or more pets be housed together, I am taking responsibility for their compatibility, including being able to eat together.

Emergency Care:

In the event of an emergency requiring medical attention, I understand that Dogwood Farm will use the nearest vet and /or consult with the pet's regular vet. I will be responsible for any veterinary and related expenses incurred. I understand that I will be kept informed of any serious problems.

Payment:

I understand that payment is expected in full by cash or check before my pet(s) are released or at time of delivery and that I will be financially responsible for any kennel damages caused by my pet(s).

Abandonment:

I understand that 24 hours after scheduled check-out if neither I nor my agent have picked up or made delivery arrangements for my pet(s), the pet(s) become the property of Dogwood Farm with the disposition at Dogwood Farm's discretion. I understand that I will still be responsible for boarding fees as long as pet(s) are in the care of Dogwood Farm.
